

Hello my dears:

Hope you are all feeling well.

As you know, these days of quarantine, we will be working from home.

Click the following link to begin with some activities.

Try to watch this video after entering in the item “Preparation” as told below.

<https://learnenglishteens.britishcouncil.org/study-break/video-zone/how-dirty-your-mobile-phone>

1 - Click the link “Preparation” and learn some new vocabulary to watch and understand this interesting video.

2 - How dirty is your mobile phone?

Topics – mobile phones

Science

3 - Discussion –

How often do you clean your mobile phone? Ask your family and see if they all agree with this video you’ve watched.

What other common objects have a lot of bugs that we can’t see?
